PUBLIC PARTICIPATION

To adjourn the meeting to allow members of the public to make representation on the business of the agenda for the meeting. Note: No resolutions can be under public participation.

The Chairman agreed to hear representations on a non- agenda item in connection with the Bandstand.

Deborah Farrington advised Members that she had attended a Cabinet meeting of Calderdale Council last Monday evening where the future of the bandstand was raised and where options were considered which appeared to be favouring demolition and creation of a new performance area.

Deborah advised that on social media she had received over 1500 expressions of support to keep the Bandstand. Of this specifically 303 to refurbish it and 102 to replace it.

Deborah believes there is strong support within the community to keep this and specifically is asking Todmorden Town Council to allow the opportunity and time for her to assemble a task force to save the Bandstand.

Her concerns are that given Calderdale's financial position, once demolished the new performance area will be low priority.

Cllr. C Potter stated the factual position that the Bandstand is owned by Calderdale Council

Cllr. C Potter expressed an opinion that this is an opportunity to replace with a more modern option.

Cllr. M Holmstedt disagreed.

Cllr. K White advised of that there is an ongoing problem of vandalism and associated costs

Proposed by Cllr. A Greenwood Seconded by Cllr. K White
(Six in favour one abstention – motion carried)

RESOLVED:-

That in so far as Todmorden Town Council have the power to grant sufficient time, it wishes to support the request to provide a time period for the group to take this forward.

Peter Hazeldine also spoke on the same matter raising three questions:-

Does Todmorden Town Council have a position regarding objecting to the Planning Application that will be required to demolish the Bandstand?

In needing a group to remind people what is happening, would Todmorden Town Council be prepared to act as a conduit for arranging a public meeting, petition, serve as focal point?

From a technical point, is Todmorden Town Council prepared to seek a listing of the Bandstand as an asset of the community in order then for the option for any group established to buy it (presumably at minimal price given its condition)?

This would provide a statutory window of 6 months to raise the necessary funds by exploring grant funding from such as "Space to Connect" (£1.6m funds available to bid for) and breathing space to try to save the Bandstand.

	<p>The Chair advised that that Todmorden Town Council has been interested in this issue with representation also on the Todmorden Development Board, and hence why it funded the options appraisal that has been used by Calderdale Council in their deliberations.</p> <p>No further discussion was entered into at this time.</p> <p>The matters raised would be taken away for further consideration.</p>
