**Subject:** Letter for Amenities Committee

The Friends of Centre Vale Park would like to inform the committee that the Friends are leading a History Walk in Centre Vale Park on Sept 8<sup>th</sup> as part of Calderdale's Walk and Ride Festival. This is the first time the park has been included in the Festival programme.

All councillors will be very welcome indeed. It will be a chance to see the differences the Heritage Trail, funding by Heritage Lottery, has made to our park. The walk starts at 10.30am in the Old Coach Yard (behind the site of the mansion). It is signposted from the John Fielden statue.

We hope to see some of you, and also hope for good weather.  
With kind regards,  
Sarah Pennie, for FoCVP
