Colin Hill Esq

Todmorden Town Clerk

Dear Mr Hill, Plaque 4 Wellington Road

It is much appreciated that the Council are now ready to replace the blue plaque to Sir Geoffrey Wilkinson. I appreciate that this will be more cost effective than my original recommendation that it be repainted. I am sure Sir Geoffrey's brother John will be delighted. I shall let him have a copy of this letter.

Since I made the request two years ago the ownership of the property has changed. I have called on the new owner/occupier. She is Ms Kerry McMillan and she welcomes the attention to be given to the plaque.

If this letter is circulated I much prefer that my name and address be not redacted. There are times when I have failed to recognise my own letters if redacted and read out after an interval.

Yours sincerely
