Hello Jude

We're going to fund your project idea

We're so happy to tell you we really liked your application for National Lottery Awards for All. And we want to give Make it! Move it! Summer 2020 £10000 to help your community thrive.

We'll send the funding to your bank account

You should see the funding in your organisation's account in the next couple of weeks. So you can start spending it on the activities you told us about in your application.

The terms and conditions

We talked about how funding from The National Lottery comes with terms and conditions, so you might want to look at them again. You can find them here nlcommunityfund.org.uk/awardsforall.

Hang on to your receipts

We could ask to see receipts and invoices related to your funding for at least seven years. There's more information on our site about how to keep us up to date, and what sort of information you should keep: [Managing your grant](#)

It's important you tell people your funding came from The National Lottery

We'd like as many people as possible to see how we use the money raised by National Lottery players. And telling everyone where your funding comes from will help you spread the word about your project, and the great work you're doing in your community.

Sharing your story

We'll publish the good news on our website and send the story to local media.

You can share the good news about your National Lottery funding with your community and local MP before we publish anything. Have a look [here](#) to find out more on how to share the good news.
