

ITEM 13b(b) – Resources Committee 24th Feb 2021

Addendum to application

From [REDACTED] on 2021-02-07 20:16

[Details](#) [Plain text](#)

Hi Colin, just a bit of an update to our application....

- We are half way through a survey and waymarking of Tod Centenary way prior to republication and it is clear there are a few significant jobs to be done so we can prioritise these out of any grant received from the council.
- We have put in an application to Reaps Moss Windfarm for an extensive refurbishment of the paths in Ramsden Clough and Cranberry dam. Cllr Greenwood is aware of this application.

Hope this is useful.

Rich
