

a

Hi Susan,

A member of my team had a look yesterday and said it looks to have been cleaned up recently. I have asked him to keep an eye on it when he is cleaning around the benches of the townhall.

We have swapped another bin for a cigarette top bin outside the townhall benches nearest the round a bout, and once the new bins have arrived we will add one outside the market toilets.

Now the nightclub has re opened there has been a lot more mess recently, litter and broken glass left around the benches which we sweep on a weekly basis. Hopefully now the weather is turning colder it will put off people hanging around in the early hours.

Kind regards

■
