

Thanks, Susan,

I've seen Cllr Young's reply. I tend not to make comments anymore on planning applications as I am a sub on the planning committee, and if I've commented on an application and then it goes to committee, and I've been asked to sub on the committee then I have to leave the room when that item comes up. It's frustrating!

I'll keep my eye on it, though.

Warm regards,

Sarah
