DATE: 25th JANUARY 2021

Dear Councillor Fenton-Glynn,

Concerns About Planning Application 20/01367/FUL. Derdale St, Todmorden,

Members have asked me to make you aware of the issues in the letters I have sent to the Calderdale Planning Department, Calderdale Flood Management Team, the Environment Agency, Yorkshire Water and the Canals and Rivers Trust about a planning application on Derdale St. Members are very concerned about the possible increase in flooding in the area.

I attach copies of the letters I have sent.

I should be grateful for any support you can give on this where you have the opportunity.

Yours sincerely

C R Hill
