

Item 11 – FC 14 th August

Extract from the Minutes of the Calderdale Cabinet Meeting on the 29th July 2019

The Leader, Councillor T Swift MBE advised that although the item should not be deferred or delayed any further due to the timescales which had already taken place around this item, that these discussions would be welcome in the 8 weeks prior to the planning application being considered; if a decision was agreeable by this stage, a review regarding the bandstand ownership would be welcomed.

RESOLVED that subject to planning permission and the relevant funding being agreed and in place, the demolition of Centre Vale Park Bandstand (Option 2) and formation of a new performance space on the site at a total combined cost for all works of £50,000 be approved.
