Tell us about your organisation, its aims and the work you undertake and your main activities and how you encourage engagement from all sections of the Todmorden Community.

Handmade Parade (HMP) is an award-winning outdoor arts organisation creating large-scale, accessible public-realm arts engagement events that astonish and enthrall our audiences. Since 2010 HMP has connected with over 1.5 million people, delighting & surprising audiences, teaching new creative skills and using the arts to connect communities. We involve the community in the creation and performance of our events, offering high-quality and accessible participation opportunities. Our events reflect the people and places they are created with and for, creating a powerful sense of ownership.

We deliver a programme of free public workshops that participants can access independently and we work with partners in disengaged and disadvantaged areas of communities to engage with vulnerable and hard to reach groups. Our workshops teach new and transferable skills, build confidence, develop social skills and support people to create new connection. In our events people of all ages, abilities, backgrounds, heritage and beliefs come together as participants and audience members, united in joy and common purpose.

We will encourage engagement from all sections of Todmorden by developing a marketing action plan that:

- Focuses on reaching our target groups
- Uses targeted social media adverts to reach the least engaged
- Works with partners in the community to share information with clients and service users
- The final event that these workshops connect to (Lamplighter), will draw between 7,000-8,000 diverse members of the community together

How will you acknowledge the Assistance of Todmorden Town Council on all promotional material - see Declaration at end of application.

We will acknowledge support from TTC by:

- Issuing a press release about the project that includes information about TTC's support and investment
- Announcing the award on our website, and carrying TTC's logo
- Sharing information about the award across our three social media platforms with our 10,500 followers
- Ensuring TTC's logo is on any printed and promotional materials
- Acknowledging TTC's support in any press and radio interviews
- Being open with freelance staff and participants about the publicly funded nature of the work and TTC's support.

Will your project have any implications in respect of climate emergency and if so, how do you intend to minimise such impact?

We will minimise the impact of our work in the following ways:

Materials: Handmade Parade is one of the most environmentally friendly arts organisations operating in the UK. Many of the materials we work with are recyclable, reclaimed or reused. We rarely work with plastics, preferring to work with materials that have a less damaging affect, such as card, paper and water-based paints. In this way, we minimise

the impact of our projects, and also encourage others (our participants) to consider how they can be creative in ways that are more sustainable.

Travel: Freelance staff working on the project will be employed from Todmorden or the surrounding areas to minimise travel and invest in local talent. Staff will be encouraged to use public transport to travel to sessions. Where this isn't possible staff will be asked to car share.

DETAILS OF FUNDING REQUESTED

What is the purpose of your request for a grant?

Town Hall Hire Core Funding Event
 X Project Delivery Other

What is your project called?	Lamplighter Community Participation Programme	
When will your project start and finish?	Start Date: 29/07/2020* *Under the circumstances of the coronavirus outbreak, these dates are provisional and we will defer project delivery if required.	Finish Date: 13/11/2020

How will your project benefit the local community within the Todmorden town boundary? (Use a separate Sheet if necessary).

Through the Lamplighter Community Participation Programme (LCPP), we will engage with local disadvantaged groups to address inequalities and support the development of a stronger community.

We will partner with Todmorden High School to work with vulnerable young people, and Healthy Minds Todmorden to work with adults with mental health difficulties. Groups will work with professional artists to create artwork for Lamplighter 2020, the annual community lantern festival on 25 October (date subject to change under current circumstances). This involves a community lantern parade through Todmorden to Centre Vale Park where there will be art and sound installations, street bands and walkabout theatre.

This grant will enable us to deliver 5 x 3-hour workshops to 12 adults with mental health issues identified by Healthy Minds. Evidence shows that men particularly welcome activities to support mental wellbeing, rather than talking therapies. We will deliver 8 x 2-hour workshops for the school's Nurture Group for 20 children

aged 11-16 who require additional support with learning, social or emotional needs. Evidence shows that children who engage with arts activities perform better in maths and English and have improved motor skills and social development.

This project will deliver an inclusive community programme working with vulnerable groups to ensure equality of access to high quality arts provision.

**Why is this project needed? What advantage will it bring to Todmorden?
How many people within the Todmorden town boundary will benefit from the project?**

This project is needed in order to help participants to develop communication skills, form stronger social connections, develop new and transferable skills and improve mental wellbeing, helping them to have the confidence to participate in and contribute to a strong community.

The 20 vulnerable young participants (11-16) will see the following positive changes:

- Improved academic performance – arts participation improves achievement in core subjects including English and maths
- Increased aspiration – developing new skills and exploring new aptitudes increases aspiration amongst young people
- Improved problem solving and motor skills
- Increased confidence and better social skills

The 12 adults with mental health issues will:

- Have improved confidence and social connectedness
- Engage collaboratively resulting in reduced anxiety and stress leading to better mental wellbeing
- Develop their transferable skills including project management, team work, design and drawing
- Enjoy a sense of achievement and recognise their positive impact on a community project
- Have improved chances of regular employment and stable relationships

All participants will see their final creations exhibited for the whole community to see as part of the Lamplighter Parade, resulting in increased confidence, a sense of achievement and wellbeing and connectedness to their community.

We have partnerships in place with Todmorden High School and Healthy Minds; they have submitted testimonies about the need for this work.

‘The Hive’ - group of vulnerable students supported by a nurture programme to improve social, communication and life skills.

‘Creating 3D art with Handmade Parade fills a creative gap in our art curriculum. Sculpture is especially beneficial to students who don't possess the finer motor skills to create effective fine art outcomes. Students gain life and academic experiences and vocational inspiration, preparing them for the outside world. It helps create community cohesion and gives kids something to be proud of. For many kids it will be the only time in their lives they ever exhibit anything they have created in a public forum.’

Lee Freeman, Todmorden High School

Healthy Minds Todmorden - mental health charity.

‘Our groups love taking part... the small, safe and familiar environment allows people to experiment creatively, learn new skills, build friendships and feel connected to their local community. Men especially prefer activities

to talking groups and HMP workshops are fun, creative and practical. It unites our different service users in a common purpose.' Deborah Corbyn, Healthy Minds Lead

Please include dates and venue of events if applicable – please include a draft programme if available.

Healthy Minds sessions: Commencing week beginning 27 July 2020 and fortnightly for 10 weeks to 2 October (5 x 3 hour sessions, every other week)

Nurture Group: Commencing week beginning 7 September, weekly sessions with the group. (Final week will include 2 sessions, to prepare for the Lamplighter Parade on 25 October).

** Given the current coronavirus pandemic, all dates are provisional and we can confirm our ability to be flexible and to work with partners to postpone delivery if required, while still achieving the same outcomes and outputs.
