**Tell us about your organisation, its aims and the work you undertake and your main activities and how you encourage engagement from all sections of the Todmorden Community.**

The main aim of the club is to foster and promote participation in the amateur sport of cricket, providing facilities for playing cricket and bowls, providing opportunities for recreation, coaching and competition. The club is affiliated to the England and Wales Cricket Board through the Lancashire Cricket Board. The club has achieved Clubmark status for the last 10 years. We run 3 senior men's, a women's and 7 junior teams. We have seven bowls teams (including vets teams) who compete in local leagues. A local Community Amateur Sports Club (CASC), governed by an approved constitution and a development plan which is approved annually by the Lancashire County Cricket Board.

More importantly, the club is a non- profit making local community facility and is used by many groups and individuals for a variety of purposes (see web site for full details).

**How will you acknowledge the Assistance of Todmorden Town Council on all promotional material - see Declaration at end of application.**

By publicity on the club website and acknowledgements in Social media Twitter and Facebook. We would also propose to erect a plaque adjacent to the n proposed disabled toilet, thanking sponsors and funders.

**Will your project have any implications in respect of climate emergency and if so, how do you intend to minimise such impact?**

No implications in respect of climate change

<b>What is your project called?</b>	<b>Provision of Disabled Toilets</b>	
<b>When will your project start and finish?</b>	<b>Start Date: January 2020</b>	<b>Finish Date: February 2020</b>

**How will your project benefit the local community within the Todmorden town boundary? (Use a separate Sheet if necessary).**

The club is open and accessible to all. This is a conditional requirement for being a Community Amateur Sports Club and being awarded Clubmark status. The membership fees to join are very modest and affordable to most local people. Non-members are welcome to use the club and many parents of younger children who attend our junior coaching sessions regularly attend the club in support of the children.

The club has recently had an independent disability audit (see attached) which highlights the need for the provision of disabled toilets. The club is wheelchair accessible but there is no toilet facilities for disabled people. We have recently completed the installation of an elevated viewing platform with disabled access.

**Why is this project needed? What advantage will it bring to Todmorden?  
How many people within the Todmorden town boundary will benefit from the project?**

The cricket club is very much the heart of the local community and information and news are disseminated through the local press, social media and via the club' website. Various local groups (specifically Age Concern and Todmorden Bridge Club) utilise the facilities all year round. Age Concern are very supportive of our application which will mean their members can use the new facility. This is not possible currently.

In addition the club is used as a polling station and provides a much needed and well used facility for celebratory events and occasions from naming parties to funerals (see web site for full details). The club is administered through a series of committees comprising approximately 30 – 40 members who live in the local community. All have verbally expressed support for the project. Our community club is supported by many local people and businesses who hold sponsor days to attract people to the club as well as the club putting on many social events over the year.

The Local Town Council and Calderdale District Council are very supportive of the club and its activities. The provision of disabled toilets will enhance the facilities provided by the club and consequently we hope to attract more local people, businesses and community groups to the club in the future.

**Please include dates and venue of events if applicable – please include a draft programme if available.**
