Dear Sir/Madam

### **Reaps Moss Community Benefit Fund**

The Reaps Moss Community Benefit Fund awards grants of between £250 and £3,500 for projects designed to improve community facilities and the local environment.

To be eligible, projects need to be located within a defined area which covers areas of Todmorden and Bacup. A map of the funding area is available on GrantScape's website [www.grantscape.org.uk](http://www.grantscape.org.uk).

The next application deadline is now 3 months away being 19 February 2020.

We are hoping you will assist us in promoting the Fund by making available the enclosed leaflets to groups in your area who may require grant support.

If you would like additional copies of the leaflets or would like more information about the Fund, please do not hesitate to contact me.
