What lasting benefit do you think the Town Council Grant has made to your organisation?

The grant has given the charity financial stability and allowed the charity to retain its centre and fulfil our commitments to our local community.

We hope that we are able to promote Inclusive Cycling to more people this year and especially in 2022.  
Joint ventures with Todmorden Rotary for their 2Wheel Tod, and our Hills of the Edge charity cycle, plus open days and events.

We are also trying to secure land in the Walsden area for a new All Ability Centre which will be open for all the community

If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.

If your project had any impact on Climate Emergency what were these and how were they minimised ?
