

Morning

I would like to thank you and your team for attending at Cornholme School yesterday to discuss the possibility of including Cornholme School within the Safer Streets for Schools Programme. It was a real joy to meet with you all yesterday and we are so grateful that you agree that Cornholme School would be an ideal location for inclusion within the programme. As promised, Operations manager contact details for First YSB isif you need his mobile number I can supply that you as well?

We look forward to seeing the drawings for the Cornholme Scheme and seeing this come to fruition hopefully for September and we remain here to offer any help or support that your team may need going forward.

Once again, many thanks on behalf of all of us and please pass on our grateful thanks to your team.

Kind regards and all the very best.

Cllr Ken White
