Invitation for the celebrations: 925-years of the city of Bramsche

Dear Mrs Taylor,

Next year Bramsche will celebrate an important jubilee. In 1097 Bramsche was first documented as a parish and in 2022 it will be the 925th anniversary of this official act. We would like our friends from our twin towns to join us in celebrating this joyful event.

The city of Bramsche and the Bramsche Town Twinning Association would kindly like to invite you and one accompanying person to celebrate with us.

We hope to welcome you in Bramsche to this festivity from 26th to 29th May 2022. The city of Bramsche will organize and pay for your board and lodging in one of our excellent hotels. We would kindly ask you to arrange your own transport to Bramsche yourself. You will get the information about your accommodation and the programme of the festivities as soon as possible.

We would be grateful to receive your registration until 28th February 2022. Please send it to the secretary of the Town Twinning Association [REDACTED]
