1. DISCHARGE OF THE SCHEME

- 1.1 This Scheme of Delegation forms part of the Council's Financial Regulations and Standing Orders and will be reviewed at least annually or earlier, for example when there are staffing changes.
- 1.2 One of the purposes of the document is to clearly define the parameters within which Officers of the Council are able to act without reference to either their line managers or Members.
- 1.3 Where consultation with others is a requirement of the ability to act it is clearly set out with whom that consultation should take place.
- 1.4 Any deviation from this scheme should be reported to Council at the earliest opportunity with an explanation of the circumstances in which the breach occurred.
- 1.5 The other purpose of the document is to capture the various delegated powers throughout the Council, including those delegated by the Council to its various committees. This element of the scheme incorporates the Terms of Reference of the committees.

2. THE POWER TO DELEGATE

- 2.1 The power to delegate functions by local councils is set out in the Local Government Act 1972 S.101. Local Government Act 1972 S. 101 Arrangements for discharge of function by local authorities
 - (1) Subject to any express provision contained in this Act or any Act passed after this Act, a local authority may arrange for the discharge of any of their functions: (a) by a Committee, a sub-Committee or an officer of the authority, or (b) by any other local authority
 - (2) Where by virtue of this section any functions of a local authority may be discharged by a committee of theirs, then, unless the local authority otherwise direct, the committee may arrange for the discharge of any of those functions by a sub-committee of the authority, then unless the local authority or the committee otherwise direct, the subcommittee may arrange for the discharge of any of those functions by an officer of the authority.
 - (3) Any arrangements made by a local authority or committee under this section for the discharge of any functions by a committee, subcommittee, officer or local authority shall not prevent the authority or committee by whom the arrangements are made from exercising those functions.
 - (4) Two or more local authorities may discharge any of their functions jointly and, where arrangements are in force for them to do so, they may also arrange for the discharge of those functions by a joint committee of theirs or by an officer of one of them and subsection (2) above shall apply in relation to those functions as it applies in relation to the functions of the individual authorities.
 - (5) A local authority's functions with respect to issuing a precept for a rate or borrowing money shall be discharged only by the authority.

3 OFFICERS CONFLICTS OF INTEREST

- 3.1 Under the Local Government Act 1972, section 117; Officers must make a formal declaration about council contracts where the employee has a financial interest. Every officer is responsible for identifying whether he/she has any conflict of interest in any matter which is under consideration, actual or perceived, within the Council, and notifying the Town Clerk.
- 3.2 Where an employee is unsure whether an interest should be declared, they should speak to the Town Clerk in the first instance. If the employee is advised not to declare their interest, a record of the discussion should be kept by both parties. Failure to disclose such an interest, may result in disciplinary action being taken which could lead to dismissal.
- 3.3 Employees are also required to disclose any other employment that they wish to undertake in addition to their primary post with the Council.
- 3.4 All employees must identify and disclose any actual or potential personal, financial, business, or other interest or close personal relationship which might reasonably be perceived as a conflict of interest.
- 3.5 Where an Officer has a conflict of interest in any matter, he/she shall not participate in that matter in his/her capacity as an Officer except with the prior approval of the Town Clerk. Any approval granted by the Town Clerk shall be formally recorded in the Council minutes. Where such approval has been granted for the Officer to participate in a Council meeting of that subject matter, he/she must ensure that the disclosure of interest is also declared at the start of the Council meeting under the disclosures of interests for members and officers.
