

Update About Senior Meeting with Calderdale MBC

- a. Further attempts at setting up a meeting have not been actioned. However, progress on several issues has been made by contacting the Assistant Head of Strategy and Regeneration and the Head of Planning directly. Responses to emails from other departments/individuals is still very patchy. The Town Clerk will be pursuing the question about the CMBC policy on response times.
- b. The Assistant Director of Strategy and Regeneration has commented that it is unlikely that the suggestion for an extension of the 20MPH area from Sanworth St to the Shell Garage on Halifax Rd as the police weren't happy with the existing A646 Corridor Improvement proposals to extend the 20MPH area to Sanworth St.
