

Email Sent to CMBC Volunteer Coordinator on 5 April 2022

Hi ,

The land referred to in Portsmouth is the fang shaped piece of land opposite Station Parade. The bus shelter is part of this.

The work is not a litter pick, ideally the residents would like to take control of the land and planting, pruning and addressing the raised seating area and boundary wall.

This would probably be a win:win as Calderdale probably don't have the time or the money to do the repairs and ongoing maintenance whilst the residents will benefit if this segment of land is improved.

I should be grateful if you could please let me know if this will be possible and what steps need to take place to move forward. If this comes under the 'volunteer umbrella' would there be insurance cover for volunteers undertaking this work?

Thank you,
Susan
Todmorden Assistant Town Clerk
