Part 2 - Memorial Bench Requested

You may request that your memorial plaque is placed on an existing Council bench or alternatively we can arrange for your plaque to be mounted on a new bench purchased and installed specifically for this purpose.

The Council is keen that new memorial benches are robust and have the longest possible service life. The Ilkley Sloper bench is made from recycle plastic components, is relatively maintenance free and is guaranteed by the manufacture for up to 25 years. In comparison traditional wooden benches normally last around five years before requiring significant maintenance or repairs. This can mean they have to be taken out of service.

- I would like on an existing bench.
 I would like a plaque to be installed on a new Ilkley Sloper bench.
