

# Climate change - Implementing action at local level

*Mobilising the local community to  
take climate action*

# Remit framework

- Climate pledge
- Educating and spreading awareness
  - Development
    - Local projects (action plan)
    - Website development
- Information –sharing and exchange

# TTC Website Proposals

## Website section dedicated to:

- Introducing TTC's Climate Emergency Committee –our purpose, general aims and summary of activities so far
- Introducing a revised version of TTC's Climate Emergency Action Plan
- Information on/links to local climate change-related groups, activities and an up-to-date events list
- Separate section for Todmorden Community College story and country's first ever Climate Challenge College. Case studies of success stories
- Sign-posting groups/individuals to available funding/support for green projects
- Introduction to the Climate Pledge –pledges available to download.
- Online features to supplement the Climate Pledge: Information, including facts and figures on the financial and environmental benefits of each pledge, practical tips and advice on 'How to make those green steps' and a 'Share your Stories and Ideas' sections.
- Suggested reading list for anyone who wishes to read around the topic of climate change and related issues. Library materials/resources.
- Inspirational quotes -*"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has."*  
—Margaret Mead.
