<b>Item no</b>	<b>Application Number</b>	<b>Address</b>	<b>Purpose</b>	<b>Consultation Feedback</b>	<b>CMBC Decision</b>
<b>Emergency Committee Meeting 8 April 2020</b>					
<b>1</b>	20/00138/FUL	Ivy House Stack Hills Road	Dwelling New 3-4 bedroom dwelling within garden	In supporting this application, TTC would wish to be reassured that any flood mitigation issues are followed, tree planting is of an indigenous nature, nature transference is properly handled and that Highways be consulted on the structural integrity of the bridge allowing access into the site for heavy vehicles and that pedestrian access continues both during construction and after completion of the development. Also, that all hard surfaces are permeable.	Application refused
<b>2</b>	20/00300/LBC	14 Fern Valley Chase Todmorden Calderdale OL14 7HB	Construction of retaining wall to western boundary and regrading of land and retaining wall to form patio	Supported	Application not found
<b>Emergency Committee Meeting 26 May 2020</b>					

3	20/00258/HSE	Highlands, Hollingworth Lane Walsden, Todmorden, Calderdale, OL14 6QY	Proposed conservatory	Supported providing any paths/roads have permeable surfaces	Approved
4	20/00286/FUL	815 Burnley Road Todmorden Calderdale OL14 7EF	Demolition of garage and construction of a terrace of 5 houses	Supported however concern expressed about the number of parking spaces included for 5 x 3-bedroom houses. Any surplus cars would park on the busy Burnley Road which would likely impact on the highway	Approved
5	20/00419/HSE	8 Willow Bank Todmorden Calderdale OL14 8BY	First floor extension to rear	Supported	Approved
6	20/00340/FUL	The Shannon And Chesapeake Inn 257 Halifax Road Todmorden Calderdale OL14 5RX	Two storey rear extension to facilitate conversion to six apartments	Supported though concern expressed about whether the amount of parking provided for 6 apartments will be enough. Any surplus cars would park on the very busy Halifax Rd and this would impact on the highway.	Approved
7	20/20044/TPO	4 Buckley Wood Bottom Todmorden West Yorkshire OL14 7AN	Management of trees (including pruning and removal) Tree Preservation Orde	Supported	Approved
<b>Emergency Committee Meeting 3 June 2020</b>					
8	20/20066/TPO	Stansfield Hall Stansfield Hall Road Todmorden Calderdale OL14 8BQ	Prune Trees (Tree Preservation Order)	Supported	Approved

<b>9</b>	20/00459/LBC	Barn at Higher Longfield Farm Rough Side Lane Todmorden Calderdale	Conversion of existing barn into 2 dwellings (Listed Building Consent)	Supported subject to comments by the Conservation Officer, appropriate access/aggress, flooding considerations, environmental considerations and permeable outdoor surfaces.	Application not found
<b>10</b>	20/00292/FUL	Barn at Higher Longfield Farm Rough Side Lane Todmorden Calderdale	Conversion of existing barn into 2 dwellings (Listed Building Consent)	Supported subject to comments by the Conservation Officer, appropriate access/aggress, flooding considerations, environmental considerations and permeable outdoor surfaces.	Application not found
<b>11</b>	19/00648/FUL	Langfield House 38 Kilnhurst Road Todmorden West Yorkshire OL14 6AX	Two detached dwellings	Development not supported on the grounds of potential land instability – the report said that a full invasive land survey must be done as this area has a history of subsidence. It is felt that a decision cannot be made on this application in the absence of this. Other reasons for not supporting the application include the impact on the visual amenity, loss of parking for residents, the steep aspect of the land causing overlooking of other residential properties and the lack of sympathetic design with the proposed white rendering which is out of character for the area. There is also the potential for increased flooding because of surface water run-off.	No decision as yet
<b>12</b>	20/20318/FUL	Land West of Hollins Mill Rochdale Road	Change of use B1A office to Sui Generis for indoor dog play area	Supported subject to there being sufficient parking and that provisions are put in place to	Not approved

		Todmorden Calderdale		control noise nuisance from dog barking. Also, subject to ensuring that dogs are not permitted to foul around the canal and local area, especially as the proposed facility is near the Hollins Mill indoor play centre.	
<b>13</b>	20/20319/LBC	Land West of Hollins Mill Rochdale Road Todmorden Calderdale	Alterations to interior layout to include new doorway, and stud walling. Repair to existing wall and new fence (Listed Building Consent)	Supported subject to there being sufficient parking and that provisions are put in place to control noise nuisance from dog barking. Also, subject to ensuring that dogs are not permitted to foul around the canal and local area, especially as the proposed facility is near the Hollins Mill indoor play centre.	Nor approved
<b>14</b>	20/00297/FUL	Building North of Water Treatment Works Greenhills Lane Todmorden Calderdale	Change of use of former single storey agricultural barn into 2bed dwelling including raising the ridge and eaves by 1.3m to enable additional floor to be inserted	Supported subject to comments by the Conservation Officer, appropriate access/aggress, flooding considerations, environmental considerations and permeable outdoor surfaces.	Approved
<b>Emergency Committee Meeting 1 July 2020</b>					
<b>15</b>	20/00566/HSE	35 Cranberry Avenue Walsden Todmorden West Yorkshire OL14 6TW	Two storey side extension and off- street parking to front (Revised Scheme to 19/01500)	Supported	Approved
<b>16</b>	20/00166/FUL	Gully House Stansfield Hall Road Todmorden	Widening of existing access road, four detached 4-bed new build houses with	Not Supported Serious concerns about the access which is unadopted and a single track. Also, the visibility	Not Approved

		Calderdale OL14 8BA	new access route and gardens (Amended Plans) Comment	(especially towards Woodlands Ave) when exiting onto Hallroyd Rd is poor and potentially dangerous. The boundary wall of Stansfield Hall has been damaged already by large vehicles accessing the road. Also, serious concerns about potential flooding from water run- off. Already, water runs-off onto Hallroyd Rd when the rain is heavy and this development would exacerbate the problem.  There is insufficient information in the application addressing these issues and TTC suggests that those responsible for Highways and Flooding being consulted for their expert opinions.	
<b>17</b>	20/00646/ FUL	Former Garage Site Ridge Road Todmorden Calderdale	Residential development of six flats	Not Supported  Serious concerns about the lack of dedicated parking as the plot is on a steep bend. Although the proposal is for 1 bed flats, even if the purchasers did not have cars there would still be a need for large vehicles, such as removals, emergency, delivery and refuse removal to be able to safely park and this does not look possible with the current proposed plans.	Not approved
<b>18</b>	20/00575/ LBC	The Shippon North Ramsden Lane, Todmorden Calderdale	Single storey extension to side and front (Listed Building Consent) Comment	Supported providing sympathetic materials are used.	Application withdrawn

		OL14 7RS			
<b>19</b>	20/00574/ HSE	The Shippon North Ramsden Lane Todmorden West Yorkshire OL14 7RS	Single Storey extension to side and front	Supported providing sympathetic materials are used.	Application withdrawn

<b>37</b>	20/00701/LBC	5 - 6 Higher Eastwood Eastwood Lane Todmorden Calderdale OL14 8RU	Replacement doors and windows (Listed Building Consent)	Supported	Approved
<b>38</b>	20/00898/HSE	4 Pex Royd Stones Road Todmorden Calderdale OL14 7JN	Single storey to the rear of the building, at upper ground floor level, to create a new garden room	Supported	Approved
<b>38</b>	20/00646/FUL	Former Garage Site,	Residential development of six flats (Amended Plans)	NOT SUPPORTED because of potential land instability, surface water run-off causing flooding,	Not approved

		<p>Ridge Todmorden Calderdale</p> <p>Road</p>		<p>narrow (single track ) road, lack of parking.</p> <p>Although conditions have been applied to the application it is believed that these are not robust enough to address the core issues above.</p> <p>The planning permission was originally granted in 2012 before the current heightened awareness of flooding in Todmorden which has been exacerbated by climate change.</p> <p>Todmorden has a history of land instability on hillsides. For example, in the 1980's near Bottom Hole Rd, an attempt was made to build a school and the attempt to build the foundations caused a landslip. When another planning application for the building of 80 houses was received in 1991 for the same site, the local community funded a thorough geotechnical survey which confirmed that the site was totally unsuitable for building.</p> <p>The site is potentially unstable and it is suggested that a more detailed geotechnical report in sought before proceeding.</p>

<b>39</b>	20/00835/HSE	1 Shore New Road Todmorden Calderdale OL14 8NW	Dormer window to front elevation	Supported providing the plans meet Calderdale's rules on dormers.	Approved
<b>Development Committee Meeting 30 Sept 2020</b>					
<b>40</b>	20/00701/LBC	5 - 6 Higher Eastwood Eastwood Lane Todmorden Calderdale OL14 8RU	Replacement doors and windows (Listed Building Consent)	Supported	Approved
<b>41</b>	20/00775/FUL	Land Rear Of 30 Cross Lee Road Todmorden Calderdale	Revised House Type Design to Plots 22 - 24 pursuant to Planning Permission 04/01508	Partial support We support the redesign but have concerns regarding the impact of privacy and effective drainage system being sufficient enough to alleviate flooding, especially run off. Identification of the application would be easier if street signage were put up -and referred to – we understand called Asher Drive/Close	Approved
<b>42</b>	20/00862/HSE	Lower Cross Stones Cottage Cross Stone Road Todmorden Calderdale OL14 8RQ	Demolition of conservatory to facilitate single storey front extension and two storey rear extension	In supporting this application, we would ask that surfaces are permeable	Approved
<b>43</b>	20/00965/FUL	17 Stansfield Road Todmorden West Yorkshire OL14 5DN	Change of use of ground floor from A1 shop to C3 (dwelling)	We support this application	Approved

<b>45</b>	20/00996/HSE	7 Manor Close Mankinholes Todmorden Calderdale OL14 6HE	Single storey rear extension and second storey extension above existing garage	In supporting this application, we would ask that surfaces are permeable	Approved
<b>46</b>	20/00850/FUL	Walsden Auto Centre Rochdale Road Todmorden Calderdale	Formation of external door	We support this application	No decision – withdrawn?
<b>47</b>	20/00900/HSE	Highleigh Sunnyside Todmorden OI14 7AP	Demolition of garage to facilitate extension to side with first floor balcony to side and rear, two-storey rear extension and new parking area on land to the south west of the site (revised scheme to planning permission 17/00195/HSE)(part retrospective)	We support this application, noting requirement to complete a Bat Survey to the satisfaction of the authority and that drainage proposals are approved by authority engineers and that the new parking area benefits from having a permeable surface	Approved
<b>48</b>	20/00939/FUL	Baltimore Marina Stack Hills Road Todmorden Calderdale OL14 5QW	Construction of 6 Chalets; Toilet Block and Manager's Office; 6 Glamping Pods; Siting of 1 Static Caravan; formation of area for siting of touring caravans and other associated works	We do not support this application as presented.  Whilst indicating Flood Zone 1, local knowledge and historical mapping, identified that the extent of water run-off from this site flows like a falls and anything to reduce the natural soakaway qualities of the site, including a number of water lodges present already to alleviate run off, will lead to	Pending consideration – geotechnical survey has been done

overflow into Halifax Road, an area already affected severely with flooding through insufficient drainage capacity.

We are also concerned about stability of the site and would request that a Geotechnical survey is conditioned to ensure the site is stable enough.

Given its location we would ask that the Canals and Rivers Trust is also consulted regarding the potential impact on the canal.

We have concerns regarding access and egress on the main road into a single track and especially if Caravans /RVs regularly use the proposed site and would ask that highways engineers are consulted. More specifically we have concerns regarding the use of the grade 2 listed bridge in terms of restricted access and weight loading of regular use .Again we would ask that the Canals and Rivers Trust who we understand own the bridge are consulted on this.

Further comments from TTC after 27 April DC Meeting:

Although the Town Council welcome the opportunity to welcome more tourists to

Todmorden to the area, the site at Baltimore Bridge is a very small one for the additional facilities and increase in people involved. This proposal is an over intensification of the development on the site.

Members were concerned that the Canal and River Trust had not commented as the grade 2 bridge is their responsibility. Also, it was suggested that the views of the Rights of Way Officer be sought as the footpath is well used by walkers and the increase in the number of campervans driving across the bridge would be an issue.

There is also an issue, as the proposals will involve the loss of parking on the site which is used by boat residents. Where will the residents park if they aren't able to park where they are currently? The site is very limited in size.

Concern was also raised that the proposals will lead to water being discharged into the canal. Currently, several streams flow down the hillside above when it rains, and this is a significant amount of water to accommodate on a site which it is proposed will be more intensively developed.

<b>49</b>	20/80010/DNO	Walsden Rochdale Todmorden Calderdale OL14 7SN	Library Road	Demolition of timber flat roofed building	We support this application but in doing so would ask that in view of a likely Community Asset Transfer request, that the site is left with its railings, pathways and concrete base intact.	Council approval not required

Do not support Increasing the number of flats to 8 in each block on the following grounds:  1. Parking constraints 2. Over-intensification of building on development 3. The concerns of the Conservation Officer	No decision as yet
<b>Development Committee Meeting 25 Nov 2020</b>					
<b>59</b>	20/01209/FUL	Ivy House Stack Hills Road Todmorden West Yorkshire OL14 5QW	Dwelling	The application is Not Supported as more information is required in order to reach a decision. In particular there is concern about flooding/drainage, the potential of landslip, the stability and weight capacity of the grade 2 Baltimore Bridge and the removal of mature trees.	Approved

				Concern has been expressed by the Canal and Rivers Trust about the bridge. Detailed plans for the mitigation of all of these is required before an informed decision can be made.	
<b>60</b>	20/01030/FUL	2 Dale Street Todmorden Calderdale OL14 5PX	Conversion of basement and ground floor from retail (Class A1) to bar (Sui Generis), retention of residential on first and second floor and conversion of office/storage to residential on third floor	The application is Not Supported because the is insufficient information about the flood risk – especially as the public would be accessing the cellar which is prone to flooding.  Also, it was noted that work has already begun on the site.	Still being considered  Flood risk assessment submitted 31/5

<b>69</b>	20/20252/TPO	Unitarian Church Honey Hole Road Todmorden Calderdale OL14 6LE Management of trees (Prune and Fell) (Tree Preservation Order)	Management of trees (Prune and Fell) (Tree Preservation Order)	TTC supports the management of these trees and recommends that native trees be planted to replace those felled	Approved

<b>70</b>	20/01196/HSE	10 Hare Court Todmorden Calderdale OL14 8DQ	Single storey rear and side conservatory style extension	Supported	Approved
<b>71</b>	20/00287/FUL	Land Rear Of 30 Cross Lee Road Todmorden Calderdale	Revised estate road layout pursuant to planning permission 04/01508, 19/00692 and 20/00775/FUL	Supported	Approved
<b>72</b>	20/01367/FUL	Derdale Development Derdale Street Todmorden Calderdale	Construction of 12 Houses in lieu of 9 Industrial Units as Planning Permission 03/00937	Not supported. TTC is thoroughly unhappy and quite troubled about the potential for flooding likely with the current raised land level of the site (around 7ft) and the lack of provision for drainage (the drains are currently inadequate in that area and already cause flooding into existing properties in the area) and the inadequate proposals for attenuation. The proposed tank seems inadequate for the likely flow. The developments currently underway in the nearby vicinity have exacerbated the existing serious flooding in nearby properties and it is expected that the Derdale St development (as planned) will exacerbate this even further.	Pending consideration  June 2022: EA had removed objection subject to finished floor levels shall be set no lower than 125.30 metres above Ordnance Datum (AOD). Drainage plans have also been submitted for the site.

<b>76</b>	20/01349/FUL	Hawkstones Farm West Kebs Road Todmorden Calderdale OL14 8SB	Conversion of existing horse stables into pet crematorium and associated car parking	Supported subject to the relevant building regulations being applied	Approved
<b>77</b>	20/01288/FUL	2 St Peters Gate Walsden Todmorden Calderdale OL14 6SW	Conversion of existing dwelling and post office to three dwellings including dormer windows to rear elevation.	Not supported on the basis that there is insufficient information provided. For example, no reference is made to the parking of cars or the storage of bins. Concern was expressed about the parking of cars on St Peters Gate as this would effectively make the road a single-track road and would affect the gateway to the detriment of the residents.	Pending consideration
<b>78</b>	20/00540/FUL	Car Park Side Of 752 Burnley Road Todmorden Calderdale	Residential development of five town houses (amended plans and Flood Risk Assessment)	Also, concern was expressed about the limited parking provision.  Residents have also expressed concern about the increased possibility of flooding caused, the blind spot for access/egress to Burnley Rd and a lack of light and overcrowding likely to be caused by the development,	Application withdrawn
<b>79</b>	20/01173/FUL	Walsden Cricket And Bowling Club Rochdale Road	Renewal of permission for the caravan to the side of the cricket field as	Supported	Approved

The design looks suitable for an inner-city area but for not a small place like Walsden. Walsden station is small scale and the current bridge is seen to be more in proportion to it. Something similar of smaller size would be more in keeping with the location. The proposed 'heavy' design could be an eyesore.</p> <p>Concerns were expressed that the heavy/solid side design would potentially cause safety issues as a more trellis like design would allow people to see who else is there and will increase the levels of natural light. There is concern that if visibility along the bridge is not well lit by natural light it could encourage children to play there.</p> <p>The colour of the bridge and its features were seen to be important and it would be great if it could suit the local area to be more aesthetically pleasing. Possibly a lighter colour than black would be more attractive to the eye.</p>

Highways do not support the application on highway safety grounds (the lay of the land obscures oncoming traffic) and that the proposed access/parking arrangements do not offer adequate dimensions or passing places. 4. Concern about increased traffic from the site on Key Sike Lane (exiting onto Halifax Rd). Key Sike Lane is already a dangerous area for traffic as it passes over the canal and is effectively a single lane road near Halifax Rd because of roadside parking.

5. Concern about surface water from the site running into the canal. It is suggested that the Canal and Rivers Trust be consulted. Also, that SuDS be added to the proposals.

6. Concern about the unstable land on the site and a full geotechnical survey be obtained.

7 That road, path surfaces etc should be permeable.

54	19/00648/FUL	Langfield House 38 Kilnhurst Road Todmorden West Yorkshire OL14 6AX	Two detached dwellings	<p>Not supported</p> <p>Concern was expressed that none of the concerns previously expressed by TTC have been addressed. These include the need for a full geological survey, the impact on surface water flooding in the area and further down Kilnhurst Rd to the Commercial St area. Also, concern was expressed about the additional heavy traffic that the proposal would entail during the build on the grade 2 listed packhorse bridge. It was noted that the bridge at Shaw Cross Rd was damaged years ago and still was not repaired and this should not happen with Kilnhurst Rd Bridge.</p> <p>It was suggested that the Canal and River Trust be invited for comment about the bridge.</p>	Pending consideration
