

SUMMARY OF INFORMATION FROM PLANNING APPLICATION

Item no	Application Number	Address	Purpose	Note
7c	22/00315/FUL	Height Top Cottage Tower Causeway Todmorden Calderdale OL14 7JE	40 Solar Panels	<p>The site is part of an open field located to the north of the applicant's property and is within a rural location with open land to the north, south, east and west.</p> <p>Site area measures 415.00. It is currently an agricultural field. It is proposed that the panels will be close to the ground rather than being positioned on the roof of the house so that the visual impact will be less.</p> <p>The settlement of Cornholme lies approximately 0.25 metres to the north of the site.</p> <p>The applicant has previously been awarded planning permission (15/01155/FUL) for 20 solar panels, but this installation was not carried out and the site remains empty. A review of the PV requirement and the electrical capacity in view of increasing energy costs and climate change, has determined that an additional 20 panels, 40 in total, is required to meet the applicants needs</p>
