

SUMMARY OF INFORMATION FROM PLANNING APPLICATION

Item no	Application Number	Address	Purpose	Note
7i	21/00644/FUL	25 Stansfield Road Todmorden Calderdale OL14 5DN	Change of use of appliance bay 4 into Gym/Kit Room including external alterations removal of appliance bay doors to front and rear blocking up of the opening with matching brickwork/blockwork and incorporation of new doors to rear and windows to the front and side elevations.	<p>This application relates to Todmorden Fire Station and involves the blocking up of one bay for a gym/kit room.</p> <p>The materials to be used match the existing used: cavity wall with facing brickwork, red aluminum door and white uvpc windows.</p> <p>It is stated that as the fire station is existing there is an understanding of the flood risks in the local area and in a flood emergency the station would vacate, and this would not have any effect on whether or not the station remains in that location to serve the community. The works proposed are very minor and it is not anticipated that they will contribute or worsen the risk of flooding by changing an Appliance Bay into a Gym and Kit Room</p> <p>There are no highway objections to this application as submitted which is unlikely to have any negative effect upon vehicle/pedestrian movement or parking within the curtilage or the highway network in general.</p>
