**To:** townclerk@todmorden-tc.gov.uk  
**Subject:** RE: FW: Tod station lift

Colin

Having spoken to Network Rail, there is adequate funding from WYCA, Network Rail and the DfT to fund the construction phase of the project, **so a contribution from Todmorden Council will not be required.** I think your contribution was originally intended to help fund part of the GRIP project study which formed part of the bid, but this came in at a lower cost than expected.

Once again thank you your kind offer, and I think we all hope for good progress on the Todmorden Station project in the new year.

Regards

[REDACTED]

Calderdale Council
