What lasting benefit do you think the Town Council Grant has made to your organisation?

We now have built in capacity to deliver this type of event again, and we are still receiving thanks you cards from Todmorden residents who tell us this has made a huge difference to their well being

If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.

We think we can organise more funding from major employers and supermarkets and reduce our reliance on grants over time

If your project had any impact on Climate Emergency what were these and how were they minimised ?
