Dear ██████████

I am writing to thank you for inviting me and my guest, Susan Miles, to the launch event of the South Pennines Park last week.

As you know from my previous correspondence, I am very supportive of the South Pennines Park and I left the launch event feeling even more excited and inspired by this innovative, self-governing, people-led and nature-focussed project.

In your speech you said that the South Pennines Park needs to be recognised, respected and resourced and these “three-Rs” resonated with me. Members of the Development Committee which met last week were very pleased to hear about the launch of the South Yorkshire Park and your work. Both I, during my civic year as Mayor, and Todmorden Town Council through its Development and Climate Emergency Committees, would like to be actively involved with your work on an ongoing basis. Hopefully we can work together to support you in achieving your ambitions.

Please do not hesitate to contact me if I can be of any assistance or support.

Yours sincerely

Cllr Pat Taylor
Town Mayor
