

Todmorden Rotary Club

Todmorden Rotary Club was established in 1946 and continues to this day in promoting the values of service, fellowship, diversity, integrity and leadership within the community. Our members come from all walks of life but the one thing that we all have in common is the desire to provide service to the community, both locally and Internationally.

We are well known in Todmorden for organising the annual boundary walk and stewarding some of the towns' major events. Perhaps less well known is our involvement with the Todmorden Blind Society, afternoon teas for the elderly, helping local young carers, supporting Calder Valley Search and Rescue teams and many other projects to assist those in need within the community. Internationally, we have been actively supporting disaster funds, health projects in Asia and, of course, the ongoing struggle by Rotary to eradicate polio worldwide.

In normal times we meet every Tuesday at the Shepherds Rest, Todmorden where fellowship, a good meal and social events are the order of the day.

We are an active club, in service and fellowship and from fellowship, friendships grow. If you would like to know more about Rotary and in particular, Todmorden Rotary Club, please visit our website <https://todrotary.org/>
