

## **Climate Emergency Committee**

### **Item 10 – My Tree Promise 2023**

#### **(All fruit trees are dwarf)**

In 2023 the Council offered 3 trees choice to residents based on a first come first serve basis. These were Plum, Apple and Cherry and the Committee have agreed to do the same again this year.

Officers have gone out for quotes and are awaiting them and these include the delivery requirements for the project.

The online forms have been drafted so that people can not only apply for their tree but can also complete the climate pledge online which will allow us to get a more accurate idea of who is signing up to what.
