## TO WHOM IT MAY CONCERN

8<sup>th</sup> August 2023

### GRANT APPLICATION – FIELDEN HALL- FIELDEN CENTRE ASSOCIATION

We are delighted to provide this letter of support for the Fielden Centre Association in their ambition to carry out retrofit energy efficiency improvements at Fielden Hall.

This volunteer group works tirelessly to promote the use of the Hall which is greatly used and admired by the local community.

The Town Council has historically provided its own grant support to the Association for successful activity delivery that has benefitted the Community of Todmorden, whilst its ongoing use as wedding venue introduces this historic and beautiful building to new audiences.

The opportunity for the Association to be part of an energy retrofit programme will not only play its part in reducing carbon emissions, but also provide an exemplar project for future learning, whilst also providing direct benefit to help the ongoing financial viability of the Association and sustainability of the building.

The Town Council has declared a Climate Emergency and is very supportive of such initiatives to reduce carbon emissions. Following approval of Town Deal Funding, as part of its role in delivering new initiatives in and around the Centre Vale Park area, it is actively supporting this project in its role as “Sponsor”

Yours sincerely
