

Climate Emergency Committee

Item 9 – My Tree Promise 2023

Options for Trees for 2023 (All fruit trees are dwarf)

In 2023 the Council offered 3 trees choice to residents based on a first come first serve basis. These were Plum, Apple and Cherry.

Plum and Cherry were the more popular of the 3 options available and it is for Members to decide what options they would like to give this year up to a maximum of 3 different fruit trees.

Option 1	Option 2	Option 3
Apple	Cherry	Cherry
Cherry	Plum	Plum
Plum		Pear

The reason for this decision is to allow Officers to go out for quote for the trees, compost and pots in advance and ensure the selection is available and the contractor can accommodate the delivery requirements.

Dates

Application process open - 1st – 31st August 2023

Applications reviewed – 1st September – 14th September 2023

Delivery – 16th - 20th October 2023 (TBC once contractor confirmed)
