Planning Applications that Todmorden Town Council has been Consulted on by Calderdale Council

Item no	Application Number	Address	Purpose	Consultation Feedback	CMBC Decision
Applications from 2020					
48	20/00939/FUL	Baltimore Marina Stack Hills Road Todmorden Calderdale OL14 5QW	Construction of 6 Chalets; Toilet Block and Manager's Office; 6 Glamping Pods; Siting of 1 Static Caravan; formation of area for siting of touring caravans and other associated works	<p>We do not support this application as presented.</p> <p>Whilst indicating Flood Zone 1, local knowledge and historical mapping, identified that the extent of water run-off from this site flows like a falls and anything to reduce the natural soakaway qualities of the site, including a number of water lodges present already to alleviate run off, will lead to overflow into Halifax Road, an area already affected severely with flooding through insufficient drainage capacity.</p> <p>We are also concerned about stability of the site and would request that a Geotechnical survey is conditioned to ensure the site is stable enough.</p> <p>Given its location we would ask that the Canals and Rivers Trust is also consulted regarding the potential impact on the canal.</p> <p>We have concerns regarding access and egress on the main road into a single track and especially if Caravans /RVs regularly use the proposed site and would ask that highways engineers are consulted. More</p>	<p>Pending consideration – geotechnical survey has been done.</p> <p>Revised plan and flood risk assessment added August 2022</p> <p>Environment Agency has said that building should be in areas of zone 1 and no reduction in land level should take place in areas of zone 2/3 – added August 2022</p> <p>Drainage Team has placed conditions regarding surface water drainage and drainage system – added September 2022</p> <p>TTC consulted again November 2022 – responded that recommended investigation/consultation not done yet.</p> <p>See item 81 in 2022 below</p>

specifically we have concerns regarding the use of the grade 2 listed bridge in terms of restricted access and weight loading of regular use .Again we would ask that the Canals and Rivers Trust who we understand own the bridge are consulted on this.

Further comments from TTC after 27 April DC Meeting:

Although the Town Council welcome the opportunity to welcome more tourists to Todmorden to the area, the site at Baltimore Bridge is a very small one for the additional facilities and increase in people involved. This proposal is an over intensification of the development on the site.

Members were concerned that the Canal and River Trust had not commented as the grade 2 bridge is their responsibility. Also, it was suggested that the views of the Rights of Way Officer be sought as the footpath is well used by walkers and the increase in the number of campervans driving across the bridge would be an issue.

There is also an issue, as the proposals will involve the loss of parking on the site which is used by boat residents. Where will the residents park if they aren't able to park where they are currently? The site is very limited in size.

Concern was also raised that the proposals will lead to water being discharged into the canal. Currently, several streams flow down the hillside above when it rains, and this is a significant amount of water to accommodate

				on a site which it is proposed will be more intensively developed. Latest document on website November 2022	
110	20/01441/HSE	Higher Horsewood Horsewood Todmorden Calderdale OL14 6HT	Conversion of existing barn to living space for ancillary use to the main dwelling	Supported subject to the findings of a bat survey, an ecological survey and that the barn remains part of the main dwelling and is not separated	Pending consideration. Applications from 2021					
2	21/00267/FUL (20/00646/FUL)	Former Garage Site Ridge Road Todmorden Calderdale	Residential development of six flats (Amended application to 20/00646/FUL)	Not supported None of the previous comments submitted by Todmorden Town Council have been addressed regarding the need for a detailed geotechnical survey, flooding and surface water run-off and the lack of car parking. Also, the site is in the conservation area and the size of the plans would seriously impact the listed building nearby and would lead to overdevelopment. The proposed development would also damage the views in the area.	Pending consideration. No documents added since May 2023
8	21/00370/RES	Car Park Brewery Street Todmorden Calderdale	Four dwellings (Reserved Matters Pursuant to Application 18/01471/OUT)	Supported providing sufficient parking is provided and that any external surfaces are permeable. 17	21/00577/RES	Land Adjacent To 26 Victoria Road Todmorden	Residential development of six flats (Reserved	Not supported.	Pending consideration.

		Calderdale	matters pursuant to planning application 16/01432/OUT)	The parking is insufficient in terms of the number of spaces (4) for 6 flats and the size of spaces which would require drivers to reverse into the road. There is concern because children play in this area and this could cause an accident. Previous applications have been rejected on the same grounds. The building of 6 flats would be an overdevelopment of the site.	Revised plans submitted April 2022 with revised parking. Highways Officer satisfied with parking but raises questions about bins and cycle store No documents added since October 2022
