<p>The 24 page A4 full-cover Memorial Booklet looked very professional and was well received at its launch in the Todmorden Information Centre on 16 March 2023 – where copies will remain free for the community and visitors.</p> <p>The launch was attended by 30+ people including local dignitaries, schools and musical contributors to the original picnic.</p> <p>The project highlighted and gave life to all of the original <u>benefits</u> from the Jubilee Picnic in the Park.</p> <p>The project gives the people of Todmorden the chance to access the lyrics/libretto of the Todmorden Cantata. Which will build civic pride and community cohesion by providing an accessible and inclusive reference to our town and all it celebrates.</p> <p>It will be a resource that can be used for many years to come. It can be a resource for schools doing a local history project.</p> <p>It will give the people of Todmorden a chance to celebrate the late Queen and give Todmorden a personalised tribute to the her.</p>

What lasting benefit do you think the Town Council Grant has made to your organisation?

It has further embedded the Friends as an active leading voluntary group within Todmorden. The booklet itself will be a lasting acknowledgement of the Friends involvement in bringing about community cohesion and pride. The project involved a very wide breadth of performers, artists, musicians and schools with which we continue a relationship.

If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.

The Town Council has kindly given grants for specific projects over the years. The Friends sustains itself as an organisation through a small annual membership fee and collection tins at our events. We are looking more widely at what grant/funding streams we might access.

If your project had any impact on Climate Emergency what were these and how were they minimised ?
