Good afternoon Mark,

I hope this email finds you well and you had a good Christmas and new year.

I have had a Councillor raise a concern about the state of Town Hall exterior and immediate environs. I am aware that the pigeon excrement issues have been being looked at by John Catanach but i was wondering if you are able to let me know what CMBC do in relation to street cleansing in Todmorden Town Centre, which I can feedback to our Councillors?

Kind regards

Naomi Crewe

Good Morning Naomi

Todmorden town centre is part of a mobile round, the operative who looks after Tod town centre has a much wider route, he looks after all of the bins in the upper valley including the outer areas and Hebden Bridge.

We don't have anything town centres in Calderdale that is better looked after than Halifax, Todmorden does have a strong volunteer group who do help from time to time especially around the judging of Todmorden in Bloom.

Hope this helps.

Mark

Thank you for letting me know, does Tod Town Centre the a street sweeper or anything regularly round as well or anything like that?

Kind regards

Hi Naomi

Tod town centre will be on a mini sweeper route and a large sweeper route, I'm not sure of the frequency when these visit but it won't be as often I don't think as Halifax. For example Brighouse is visited once a week by a mini sweeper, Halifax is swept 3 to 4 times a week.
