What lasting benefit do you think the Town Council Grant has made to your organisation?

The grant has:

- helped to establish a strong, sustainable, partnership between Todmorden Learning Centre and Community Hub, Todmorden Town Council, and Todmorden Community Energy;
- raise awareness amongst the people of Todmorden about the impact of our lifestyles on climate change and the small actions which we can take to reduce carbon emissions;
- helped to establish TLCCH as a 'go to' source of information and education around climate issues;
- helped to empower the local community to see the climate emergency as a challenge which, together, we can overcome rather than an impossible and inevitable crisis which we cannot solve.

If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.
