| |
|---|
| <p>What lasting benefit do you think the Town Council Grant has made to your organisation?</p> |
| <p>The new office to which the Council Grant contributed 50% of the annual rent , has helped to raise our profile in the town. The new more accessible space has been well received and our attractive window displays directly adjacent to the new pedestrian crossing are reaching a much wider audience than our old office which was awkwardly situated on a narrow piece of footpath very close to a busy road junction.</p> <p>We believe our office presence is more important than ever with older people facing many financial , medical and emotional challenges and we are the only service they can still speak to face to face in the town to seek help.</p> |

| |
|--|
| <p>If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.</p> |
| <p>TTC has never been the main funder to Age Concern Todmorden , this historically has been first Age UK then more recently the Abraham Ormerod Fund.</p> <p>We are now receiving support from VSI Alliance on how to make our charity more sustainable and recognise that implementing a rolling programme of applications to a wide range of potential funders to contribute to specific parts of our annual activities is likely to achieve a positive outcome rather than remaining too reliant on a small range of supporters.</p> <p>We have a relatively new team of Trustees who have the skills and determination to drive the charity forward towards a more sustainable future.</p> |

| |
|---|
| <p>If your project had any impact on Climate Emergency what were these and how were they minimised ?</p> |
| <p>No Impact perceived.</p> |
