

Climate Emergency Committee

Item 8 – My Tree Promise 2024

(All fruit trees are dwarf and come with peat free compost and a suitable pot)

the Council has offered 3 trees choice to residents based on a first come first serve basis. These are dwarf Plum, Apple and Cherry.

Officers went out for quotes, and these include the delivery requirements for the project and have appointed a contractor based on the agreed timetable below.

The online forms went live on 1st August so that people can apply for their tree but can also complete the climate pledge online which will allow us to get a more accurate idea of who is signing up to what.

Key dates for the Project

1st August – My Tree Promise Applications open

31st August – Applications closed for My Tree Promise

7th October Finalised My Tree Promise list to be sent to contractor

w/c 28th October My Tree Promise Trees to be delivered

Currently the Council have received 62 number of applications as at 19th August and Officers are currently checking through that they match the Council's required criteria.
