## CONSIDERATIONS

6. The budget is made of a number of known operational costs that without which, the core function of the town council cannot be delivered e.g. staffing and operational costs.
7. There are however very significant areas of discretionary cost, that in simple terms, could be reduced or removed altogether should Members wish to deliver a no precept increase budget.

Town Centre /Security/PCSO's	£46,980
Donations and Grants	£15,300
TH Hire Refund Grants	£8,490
Education non L/A	£2,000
Events grants	£11,673
Tourism (TIC)	£13,000
Entertainment Arts & Recs	£11,669
Foodbank Support	£10,000
TIB Support	£10,000
Climate Grants	£5,000
<b>Total</b>	<b>£134,112</b>

8. Whilst these represent (Circa) 36% of Precept received, these provisions go to the core of the Town Council's ethos as an enabling and facilitating council seeking to strongly support its community.
9. Included in the budget are other items regarding provision into Earmarked Reserves.
  - Festive lights replacement £8,300 (to build up funds to replace in year 8 – in year 4 of this)
  - Elections £10,000 for 2025/26 (to provide for 4 yearly election costs and limited casual vacancies – after having had 2 by elections in 24/25).
10. Based on the updated tax base provided which CMBC have deferred the decision until the end of the month, the impact of Precept increase in 5% steps (with the addition of the 12% increase as provisionally agreed) would be as follows:

## FINANCIAL CONSIDERATIONS

11. The forecast option for 2025/26 are based on what is known at the time, but going forward also includes an element of inflationary increases.
12. The tax band for this projected budget is based on the slightly increased tax base provided by CMBC however yet to be confirmed.
13. The proposed options budget do not include a cost for the Project Manager for the Town Deal projects as these would be covered by the funding received in relation to this project.
14. A budget provision of £10,000 has been put in place for Todmorden in Bloom to make this a annual payment to be reviewed every year if TIB still require it.
15. A budget provision of £10,000 has been put in place for foodbanks to make this a annual payment to be reviewed every year as require it.

16. A budget for Mayors day has be included of £600 which would mean the formal Mayor Making could take place during the annual meeting when the legal requirements for the Council are done based on the 2024 event. Any changes to the previous arrangements would require a budget change.

**RECOMMENDATION**

17. That Members consider the budget presented approve the presented budget for 2025/26 and confirm the precept request will be for £458,676 which is an increase of circa 12%

**REASONS FOR RECOMMENDATION**

18. The Full Council provisionally agreed the increase of 12% subject to the tax base being received by CMBC which has now been provided and the budget reviewed.
19. Calderdale have been unable to confirm the tax base in a timely manner for the Town Clerk to be able to confirm the exact percentage but the budget provided shows how much precept TTC need to demand and per the provisionally agreed budget.
20. TTC have to submit their precept demand by the 7<sup>th</sup> February 2025 to CMBC.
