

## **Item 14 Recommendation from the Resources Committee – Part-Funding for PCSOs in Todmorden**

The Resources Committee considered a request after a presentation from West Yorkshire Police for financial support towards neighbourhood policing in Todmorden. After reviewing the proposal, the Committee recommends that Full Council approve funding of up to £52,000 as the Town Council's 50% contribution towards the costs of two Police Community Support Officers (PCSOs) dedicated to the Todmorden area.

The Committee noted that this contribution falls within the approved budget for the 2026/27 financial year and supports the Council's priorities around community safety and partnership working.

Full Council is therefore invited to approve the allocation of up to £52,158.70 from the 2026/27 budget to support the deployment of two PCSOs in Todmorden for a 12-month period.
