Guidelines For the Effective Management of Recording at Town Council Meetings

The right to record, film and to broadcast meetings of the Town Council is established under the Openness of Local Government Regulations 2014. This is in addition to the rights of the press and public to attend such meetings.

Todmorden Town Council is committed to being open and transparent in the way it conducts its decision making. For the purpose of this policy the term “record” means any form of audio, visual or electronic recording.

Those who attend a public meeting should expect to be filmed. This includes Councillors, Council Officers and members of the public.

The rules that the Town Council will apply are as follows:

1. The Town Council will display requirements as to filming, recording and broadcasting at its meeting venues and on its website, and on notice boards in the Town, and those undertaking these activities will be deemed to have accepted them whether they have read them or not.
2. A copy of these rules will be provided to members of the public in attendance at a meeting of the Town Council. The Chairman may also verbally remind the meeting and all present of the freedom to record, but that these rules/guidance are in place to enable any type of recording to take place without disruption to the Council meeting.
3. Any person wishing to record a meeting in any format whatsoever is encouraged (but not compelled) to contact the Town Clerk prior to the start of the meeting. The Town Clerk’s details are set out in the public notice and agenda of the meeting; or in her absence, the contact will be the Deputy Clerk. Discussing requirements with the Town Clerk beforehand will help to ensure that the Council provides reasonable facilities to meet the needs of the person that is recording.
4. The person making the recording may move around, however in doing so they must ensure that there is no disruption to the proceedings of the meeting.
5. A person or persons recording the Town Council meeting are reminded that the “Public Participation” period is not part of the formal meeting and that they should take legal advice for themselves as to their rights to make any recording during that period.

6. Where the press and public are excluded from a meeting or part of a meeting owing to the confidential nature of the business to be transacted, recording of that meeting or that part of the meeting will not be permitted.
7. The specific filming of children or young people under the age of 18 who are present cannot take place unless their parents/guardians have given their written consent. This provision also applies to vulnerable adults, whereby the consent of a responsible adult is required, i.e a medical professional, carer or legal guardian. Where permission is given, filming of these people can take place.
8. The Council requests that all recording is overt (e.g. clearly visible to anyone at the meeting) but cannot compel those who are recording to do so.
9. The use of digital and social media recording tools, for example Facebook, X, blogging or audio recording are allowed as long as this type of recording is carried out in a non-disruptive way and only to the extent that it does not interfere with the ability of any person present to follow the debate.
10. A person or persons making a recording has no right to interrupt a Town Council meeting by asking questions or making comments for the purpose of the recording. The person recording has no right to ask Councillors, Officers or any members of the public who have been given permission to contribute orally to the meeting to repeat a statement for the purpose of the recording.
11. The Chairman of the meeting has absolute discretion to stop or suspend recording if, in their opinion, continuing to do so would prejudice proceedings at the meeting, or if the person recording is in breach of these rules/guidance.
12. Persons who are recording are requested not to leave their equipment unattended and are responsible for their equipment at all times.
13. The recording and reporting on meetings of the Town Council, is subject to the law, and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation. The Council expects that the recording will not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or infringement of the Town Council's values, or in a way that ridicules or shows a lack of respect for those in the recording. The Town Council would expect any recording in breach of these rules to be removed from public view. The Town Council will have no liability for material published by any other person unless it is itself undertaking the publication through its offices.
14. For the benefit of those who wish to record – where the recording device being used involves equipment which is larger than a smart phone, tablet or compact camera or if the person recording has other special requirements they are requested to please contact the Town Clerk prior to the meeting so that reasonable arrangements can be made. The use of lighting for filming/flash photography will usually be allowed providing it does not adversely impact on the ability of others

present to view the meeting, or for reasons of health, whereby the Council may require that such lighting is not used or is reduced to a level which does not adversely affect other people. The lighting should not cause any other form of disruption.

15. The Town Council may itself photograph, film, record or broadcast meetings and can retain, use or dispose of such material in accordance with its retention and disposal policies. Where the Town Council proposes to record all of its own meetings, it will be bound by this policy.
16. The Town Council is not liable for the actions of any person making a recording at Council meetings which identifies a member of the public or for any publication of that recording.
17. The minutes of the Council meetings remain the statutory and legally binding formal record of Town Council decisions.
