

Ite 12 - Request for a letter of Support for Funding –Valley Roots commUNITY

Valley Roots commUNITY is a locally focused programme delivering free, inclusive music workshops and community activity in Todmorden. The project aims to increase access to creative participation for all ages, with a particular focus on young people, through hands-on sessions in rhythm and group music-making.

Workshops will take place in accessible community spaces such as Centre Vale Park Bandstand and the Pavilion, helping to activate these valued public assets through positive, welcoming use. The programme supports wellbeing, confidence building and social connection, while creating opportunities for residents to come together and take part in shared cultural experiences.
