During the fortnight of Heritage Week the Exhibition brought in a footfall of 944 visitors over the fortnight, including students from National School and 6 members of staff who attended the exhibition with a view to bringing students to see it later in the term.

The Exhibition also engaged 32 volunteers over 108 hours that the exhibition was open during the period from 5th to 20th September.

The exhibition will remain open until Christmas at least and there have been calls to get it made in a more permanent material and apply for the permissions to install it permanently in the church. Many visitors, both those from Todmorden and those visiting Todmorden said that they learned things about the town and there were lots of compliments to the volunteers for their help and hospitality.

What lasting benefit do you think the Town Council Grant has made to your organisation?

It has built awareness and understanding of the church and its community and has grown the confidence of volunteers in welcoming visitors and telling them about the Church's history.

If you have received grants from the Town Council before, please advise how you intend to be more self-sustainable and reduce your reliance on Town Council funding for the future.

N/A the previous grant was for a very different grant. This grant was for a one-off celebration of civic pride. The further application that is proposed, for LED lighting, draught proofing and CCTV is also a one-off investment which it is anticipated will reduce bills and costs.

If your project had any impact on Climate Emergency what were these and how were they minimised ?

It is hoped that the links shown in the exhibition between the church and Incredible Edibles etc will have inspired people to support these environmental organisations as well.

Please attach visual evidence of the work that has been undertaken thanks to this grant. This can be photographs or videos of your work, your staff or your volunteers, recipients of services etc. Please ensure you have the permission of the people in the photographs or videos.
You can also consider attaching other visual material, such as any artwork that is created during the project, event posters, or certificates given to participants or volunteers.
