Full Council – 30th September 2026

Item 9 - Recommendation from the Resources Committee:

Following a review of the grant application from Todmorden Information Centre, and after receiving a representation from the organisation at the Committee meeting, the Resources Committee recommends that a grant of £8,000 be awarded to Todmorden Information Centre for the financial year 2027/28. This amount represents 40% of the requested staff costs.

The grant is to be paid in quarterly instalments, subject to the receipt of a satisfactory quarterly report.

Should an overpayment for the financial year 2026/27 be identified, it will be deducted from the 2027/28 grant, subject to the submission of the Centre's audited accounts, which are usually submitted in June.
